C.N.RAMACHANDRAN NAIR,J.

W.P.C. NO. 15932 OF 2007

Dated this the 28th day of May, 2007

JUDGMENT

Since counsel for the KSEB submitted that first respondent has not passed orders on the application referred by KSEB seeking permission for drawing of line over the petitioner's property, W.P. is disposed of directing the first respondent to pass orders without any delay. I make it clear that the first respondent should permit drawal of line causing least inconvenience to the least number of land owners. As far as possible, line should be drawn on the boundaries of properties and wherever parties offer to meet cost, insulated cables should be permitted instead of overhead cables causing danger to land owners.
